

**Report on Feedback on Curriculum by Academicians, Teachers, Students and Alumni
(2015-2016)**

- Academic experts suggested to group the Elective courses.
- Faculties suggested that the reordering of syllabus in the course Industrial and Labour Law has to be made.
- The students were asked at the exit interview to comment on the syllabus and they felt that the topic Mutual Fund may be included in Security Analysis and Portfolio Management Course.
- The alumni of the college suggested to include Total Employee Involvement in Human Resource Management and Organisational Behaviour course.
