Alumni Activities

The success of an educational institution depends on the performance of its alumni. STC has established an Alumni Association which functions very actively with a purpose. Thousands of our alumni are occupying high positions in different organizations spread all over India and in abroad. Many of them are very successful entrepreneurs too who set the role models for others. They need a network among themselves for extending their service to their Alma Mater. STC Alumni Association provides the right platform for the network of our alumni.

STC is quite confident that the involvement and the promotional attitude of the members of STC Alumni will definitely steer the institution into limelight and take it to greater heights in terms of

Alumni Meet 2013
