

# Sree Saraswathi Thyagaraja College (Autonomous), Pollachi

## 1.4.2 MECHANISM TO OBTAIN FEEDBACK

- When the College had to frame its own curriculum under autonomy in 2009, feedback on curriculum enrichment was elicited from prominent industrialists and alumni of the College through consultations, meetings and discussions.
- BoS of every department has experts from divergent fields as its members.
- They give their feedback on the existing syllabus which is incorporated for curriculum enrichment.
- In the parent-teacher meetings, parents give their general observations and remarks on the need for enhancing certain soft skills and leadership traits of the students.
- Alumni working in industry and institutions of higher learning also give us their unbiased feedback whenever they visit the College.
