

STC RESEARCH POLICY

STC is committed to create and support a research culture conforming to all applicable rules and regulation as well as to the established standards and norms relating to safe and ethical conduct of research among its teachers and students and leverage it for enriching and enhancing the professional competence of the faculty members; for developing and promoting scientific temper and research aptitudes of all learners; for realizing the vision and mission of the college and for contributing to national development by establishing an institutional fund and plan for facilitating their participation in research and related activities and by providing the required resources and appropriate facilities.
