### **III. Centre for Research and Development**

To realize the mission of achieving national and international recognition in the field of education, STC focuses on research as the significant futuristic Endeavour. To give research an impetus in the institution, an exclusive Centre was established in 2010, called the Centre for Research and Development (CRD). The prime objective of CRD is to create a research ambience and culture by promoting research activities among the faculty and students. Research activities of CRD subsume sponsored research projects, publications in refereed journals, research consultancy and trainings, Faculty research seminars as well as working paper series. It functions as a catalyst in imbibing cutting edge research ideas and methods among the faculty members and students in the institution. Research Scholars forum is being promoted to create a platform for research scholars and students to have panel discussions on current research issues.

CRD has successfully completed 68 funded research projects; two projects are ongoing and have submitted 26 research project proposals to various funding agencies such as NCW, ICSSR, NABARD, DST, EDITN and Azim Premji University. Out of this, 2 research projects, and one seminar are considered by the agencies for funding. Working paper series has been commissioned and nine have been published and three are in the pipeline. Two minor projects have been completed with the help of students by CRD. 45 Research seminar series have been introduced and already 6 have been organized on monthly basis in staff knowledge forum. Preliminary works has been started for Coconut and Coir Incubation centre implementation. The Centre for Consultancy Services has signed an MOU with V- Alienz Company, Coimbatore. We have done two software packages and website development works. The centre has Research Coordination Committee and Consultancy Coordination Committee.

Every month minimum one meeting is organized to deliberate on the research activities pursued in the departments and opportunities persisting in the ecosystem for research and consultancy.

A Research Advisory Board (RAB) has been formed with the members from various research institutions and research bodies to get suggestions and feedback on the research activities of CRD at STC. So far five RAB meetings have been completed.

**IV. Centre for Entrepreneurial Development**

The Centre for Entrepreneurial Development (CED) was established in the academic year 2012-2013 with a vision to spread the spirit and the temper of entrepreneurship and to foster innovation and inculcate entrepreneurial skills in students. Ever since its inception, the centre, under the aegis of Entrepreneurship Development Institute of India (EDII), has committed to organise Entrepreneurship Awareness Camps (EAC) in order to transform the mindsets of rural youth from job seeking to job providing. The objectives of the centre include:

1. Creating awareness on entrepreneurship among the students through training programmes, workshops and camps, identifying, motivating and guiding the budding entrepreneurs.
2. Facilitating the students by providing information on entrepreneurial opportunities through MSME, DIC, EDII and other financial institutions.

3. Establishing a network for proper guidance to take up the entrepreneurial ventures by equipping the students with necessary managerial skill sets to run a business venture successfully.

### **Student Associations**

“You gain strength, courage and confidence by every experience in which you really stop to have no fear on the face... Do the thing you cannot do”.

Each department has got its own students association. These associations through their various activities aim at bringing out the talents and skills of students in their domain. These associations’ conduct several inter and intra departmental activities and persons of eminence are also invited to deliver addresses to enrich the academic knowledge and inculcate virtues and values in the minds of the students.
