Effective leadership is reflected in various institutional practices such as decentralization and participative management

The institution practices decentralization and participative management to achieve its vision, mission, and values by involving teaching, non-teaching staff and all stakeholders.

Deans, Directors, HoDs, Programme Coordinators and faculty members are given full freedom and responsibility to discuss and upgrade the curriculum requirements as suggested by IQAC in consultation with the Principal.

The institution has constituted different committees for the successful conduct of *Fresher's Day*, *College Day*, *Sports Day*, *Graduation Day* etc., Regular meetings are convened amongst other committee members, Principal and faculty members through which matters of strategic importance are discussed with equal opportunities to express their opinions and suggestions.

Departments have the liberty of preparing the Academic Plan with Budget on annual basis. The Skill Training, Placement Preparedness, Guest Lectures, Industry Visits, Alumni Connect, Internships, Field Practicum etc., are identified through the office bearers of students' association.

After healthy department-level deliberations, the respective Deans/Directors finalize the departmental needs, and then Academic Plan with Budget are prepared, get the approval from Principal and Secretary. Action taken on the above plan is also reviewed. The overall maintenance budgets are approved in the beginning of the year itself and accordingly executed by the administrative office.

Recommendations by the committee

1. All classrooms must have interactive tools like interactive smart whiteboards and projectors.
2. More number of seminars and workshops are to be organised.
3. The library should have adequate UGC-listed reputed journals with good impact factors, browsing centre for students, N-List subscriptions and reference books.
4. Departments needs to establish their own library.
5. Innovative teaching methods and techniques are to be used in teaching-learning activities.
6. Students are to be kept engaged in competitions and project works.
7. Introduce job-oriented short-term certificate courses.
8. Increase participation of alumni in the development of the college.
9. There should be a language lab with all facilities for the English department.
10. The college should have a research lab and increase the number of publications according to the number of teachers.
