STC SCHOLARSHIP POLICY

The management of STC is benevolent in providing various scholarships to the students based on academic merits, meritorious in sports and games and Alumni to pursue higher studies at STC.

STC has developed a scholarship policy for the students detailing the rules and guidelines to be followed from the inception of the College. The policy considers the award of scholarship and/or adjustment toward tuition fee for students who are meritorious, economically challenged, and extraordinarily proficient students in each discipline per academic year. However, other financial support is also considered depending on the availability of sponsored funds as per the governmental guidelines. The selection procedure involves an application by the meritorious students, scrutiny, and consideration of tuition waiver to deserving students. The institution has also introduced a special scholarship scheme through STC MSET for PG students from 2019 onwards.
